# A *Miracle* Move of God.

This is a story that only God could have written. What He has done over the nearly 18 years at Freedomhouse Church is truly **a miracle story**. This miracle story involves people like you who have a heart for God's house and have accepted the calling to become a part of something greater than all of us, to build God's Kingdom here on earth and see a generation come to Jesus.

**God has a great mission** for His church, and "Heart for the House" Sunday is our opportunity to partner with God in that mission.

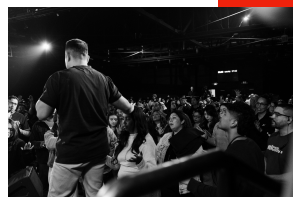

**Please read through the following pages** and prayerfully ask what God would have you do, to partner with us to finish the construction and build God's house! **Pray** that God would give you clarity on what to give and the faith to respond to the greatest cause on earth, the building of God's Church.

**"Believing for Miracles"** is faith in action, because this isn't about buildings, it's about creating room for more stories, more salvations, and more miracles in the lives of people..

# WAYS TO GIVE:

## 1 - What Can You Decrease?

We all have a budget. Picture a circle or a pie. There are some things that we can't decrease, but then there are others we can decrease. Maybe it's not getting Starbucks each day? Or bringing a lunch to work, so you can give more to God.

## 2 - What Can You Delay?

There are some things that maybe you were "going to do" but you could delay them for a season. Maybe you were going to buy a couch, but honestly, the one you have is good for another year. Maybe you were going to put a new roof on the house but to think of it, this one can last another year. or large purchase items etc... What could you delay? Not forever, but for a season to give more to God in this season.

## 3 - What Can You Do More Of?

This is where it gets really fun. It's like the person that said, "I'm going to work over time, one day a week and give it to God". or the person who said, "I used to do a lot of side jobs, and people are still asking me. So, I'm going to start taking them up on this, and give that extra income to God."

## 4 - What Can You Donate?

You can give from savings or stocks. Or perhaps a mixture of a lump sum upfront and a monthly commitment, so the building of God's house can be complete. Maybe you have an item you could sell and give to God? Or a memorabilia item you could sell and give to God as an act of worship.

***"They sold property and possessions to give..."***

***-Acts 2:45***

## HOW IS THIS DIFFERENT THAN MY TITHE?

Tithes are funds set aside for the daily operations of the church (see Mal 3:8-11). An Offering is a biblical gift over and above your regular Tithe and is designated to special projects to empower and expand the vision God has given the church. It’s important for the life-changing ministry to continue during this capital initiative. Please continue to bring your tithe in addition to the special offering amount as God leads you to give. *Exodus 35:5 “Take a sacred offering for the Lord. Let those with generous hearts present the following gifts to the Lord for His house, gold, silver, and bronze.”*
